

Dear Residents:

3rd Track Constructors (3TC) is making significant progress on the LIRR Expansion Project from Floral Park to Hicksville. Here in New Hyde Park, we will continue installing retaining wall panels along the right-of-way in the coming weeks.

Beginning Monday, May 17 there will be no commuter parking along 3rd Avenue from Covert to South 12th Street to allow for the installation of wall panels along the right of way. This activity is expected to last approximately three months.

At times, intermittent road closures may be necessary to help facilitate the delivery of materials to the site. Crews from 3TC are committed to working with the businesses along 3rd Avenue to ensure access is maintained at all times.

Crews will begin on the west side of 3rd Avenue and progress east toward South 12th Street. Below is a list of activities, in sequence, that will take place along 3rd Avenue over the course of the activity.

1. Remove fencing and demolish existing curbs along the right-of-way
2. Drill into the ground in sequence for wall posts
3. Install wall posts
4. Fill each hole with concrete
5. Excavate for wall panels
6. Install wall panels

Following the installation of the prefabricated retaining wall panels, crews will return to the area to install decorative fence on top of the retaining wall.

Once the wall and fence are installed, 3rd Avenue will be restored. Curbs will be replaced, the roadway will be repaved, and parking spaces will be restriped to their new, permanent configuration.

We are committed to doing all that we can to minimize the disruption to the community during this activity. We have made great strides on New Hyde Park project elements and on project elements across the Main Line Corridor, and we greatly appreciate your patience.

To stay informed about the LIRR Expansion Project, make sure to register for updates at – <https://lirrexpansion.com/register-for-updates/>. Should you have any additional questions, please don't hesitate to contact us through the project's 24-hour Hotline at 516.203.4955 or email us at CommunityOutreach@LIRRExpansion.com.

We look forward to continuing to serve you and your community.

Respectfully,

Your New Hyde Park Community Ambassador

Judy White

We encourage residents to visit www.lirrexpansion.com for up-to-date project details and to register for eblasts. For more information, please contact the project's Information Hotline at 516-203-4955 or e-mail CommunityOutreach@lirrexpansion.com.

A better commute • Less congestion • Cleaner Air • Safer, quieter crossings
Station improvements & parking • Better jobs • Stronger economy • Noise reduction
