

2021 Village Street Fair

On Saturday, September 18th, the 24th Annual Village Street Fair was held on Jericho Turnpike. The skies were blue and sunny, the temperatures warm, while merchants and residents came out to greet thousands of visitors to our community. There was an abundance of food and drink, a variety of Village businesses, street merchants, NHP Chamber of Commerce members, and local charity and service organizations.

The Village is grateful to Persi Contracting, Maspeth Bank, Long Island Jewish Medical Center, First Flag Realty, and Flushing Bank for their willingness and desire to be this year's Village Street Fair Sponsors. It is because of them that we were able to bring this year's event to the people of our community.

Additionally we want to thank the New Hyde Park Funeral Home and Katie McBride Foundation, whose generous music sponsorship allowed us to bring musical performances by DJ Ray McKnight and 'Lampshade for Hiding', a popular and talented local band.

A special thanks to all those involved in planning the event as well as all the Village residents and merchants for their support and hospitality throughout the day.
