Trustee Rainer Burger:

MTA

South 12th Pedestrian Underpass & Station Platform

MTA will be applying a new application to the cement façade to clean up the blemishes etc- They are currently preparing the surface and there is hope for the completion by the end of the year.

Paving of Roads

Work was previously stopped due to lack of Man Power and will be resuming back on November 5, 2023 weekend to lift and install new signal hut on the tracks.

The lift itself will actually be done from the north side of the tracks. We will have our employees parking on the south side.

Paving and stripping should be completed in November 2023.

There will be a follow-up on work in the future but no schedule yet. This work will include rail work and compressing of gravel rock bed for the tracks. This was the vibration that some residents have been feeling.

There was no pile driving etc and I was assured by the MTA that this type of work/vibration would not impact home structures.

Marcus Christ (MCH)

Demolition is completed and in the process of being re-built. Preliminary Architectural drawings are in the works. Presently waiting for a set of drawings to be submitted for review. Upon receipt we will share some renderings with the public.

Looking to get a bid out in the 1st QTR for 2024 and then award in the 2nd QTR of 2024.

Noise Abatement

The last meeting for TVASNC was on Monday September 18, 2023 held at the Village Hall in Floral Park

It was a very informative meeting with a questions and answer session with many participants.

Recently State Senator Patricia canzoneri Fitzpatrick from the 9th Senate District wrote a letter to the FAA concerning airplane noise over our community's. In her letter she expressed her deep concern over the increase of airplane noise in our district especially early morning and late hours.

The September arrivals using runway 22L shows a lot less aircraft flying into JFK.

For instance: the month of July 2023 and over 14,000 flights into JFK compared to only 5,900 in the month of September 2023

The number of complaints for the month of August 2022 for flights into JFK was 15,000.

Compared to the number of complaints for the month of August 2023 is over 27,000.

The October 2023 meeting has been canceled and the next meeting for TVASNC will be on Monday November 27, 2023.

Residents are urged to file a online Noise complaints at WWW.hempsteadny.gov/TVASNAC.

Or for Hempstead residents to call 1-800-225-1071, North Hempstead residents dial 311.
